NFT3, BFI Southbank, London

2 April

BFI Southbank, Belvedere Road, South Bank, London, SE1 8XT
Preview of 'Metalpleater' a film and silversmithing collaboration. The short film Commission was a creative collaboration between Maya and the artist/ film maker Charlotte Prodger and was commissioned by Artangel.

The project culminated in a film shot on 16mm which describes the process of making a silver object. This object, the Metalpleater, is a fictional tool used for pleating mountains, which first existed in a short story written by Charlotte.

Tickets can be purchased online at;
www.bfi.org.uk/lgff/outside_catch_action
